To Mr. Trygve Lie,  
Secretary General of the United Nations,  
Lake Success.

Dear Sir,

I, the signed underneath, *Goldstein Moses.*  
inmate of the camp *Unkra Tein 1712* in *Wiesbaden*,  
U.S.A. Occupation Zone in Germany, do apply to you to transmit  
my following request to the meeting of the United Nations which  
will consider the problem of Palestine.

During the World War II I have had suffered in the  
German Nazi camps. There the Nazis killed before my eyes all  
of my dearest and nearest. The victory over Nazi-Germany  
brought the liberation of all oppressed nations but for the  
Jewish people. 21 months after the victory I still am in a  
camp in Germany, among the murderers of my family.

The only refuge where I will be able to carry a  
normal and free life - is my old native country - Palestine.

From the deepness of my grievous and tortured soul  
I am applying to you, United Nations of the World, which has  
the task to bring freedom in the spirit of the Atlantic  
Charter as a result of the victory over the greatest tyranny  
in the history:

Take me away from the camp, let me join my brothers  
and sisters in Palestine, give me the possibility to begin  
a peaceable and normal life in my own country.

April, 25th, 1947

Yours respectfully

*Goldstein Moses.*
